I Heard Your Voice In The Wind

I heard your voice in the wind today
and I turned to see your face
The warmth of the wind caressed me
as I silently stood in place

I felt your touch in the sun today
as its warmth filled the sky
I closed my eyes for your embrace
and my spirit soared high

I saw your eyes in the windowpane
as I watched the falling rain
It seemed as each raindrop fell,
it quietly said your name

I held you close in my heart today
It made me feel complete
You may have died... but you are not gone
You will always be a part of me

As long as the sun shines...
the wind blows...
the rain falls...
you will live on inside of me forever
for that is all my heart knows
