Fundamental Beliefs

Creation #6

God revealed in Scripture the authentic and historical account of His creative activity. He created the universe, and in a recent six-day creation the Lord made "the heavens and the earth, the sea, and all that is in them" and rested on the seventh day.

The Nature of Humanity #7

Man and woman were made in the image of God with individuality, the power and freedom to think and to do. Though created free beings each is an indivisible unity of body, mind, and spirit, dependent upon God for life and breath and all else.

The Great Controversy #8

All humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God's adversary, and led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of created world, and its eventual devastation at the time of the global flood...

The Life, Death, and Resurrection of Christ #9

In Christ's life of perfect obedience to God's will, His suffering, death and resurrection, God provided the only means of atonement for human sin, so that those who by faith accept this atonement vindicates the righteousness of God's law and the graciousness of His character; for it both condemns our sin and provides for our forgiveness. The death of Christ is substitutionary and expiatory, reconciling and transforming. The bodily resurrection of Christ proclaims God's triumph over the forces of evil, and for those who accept the atonement assures their final victory over sin and death.
