When Tomorrow Starts Without Me and I'm not here to see if the sun should rise you find your eyes all filled with tears for me. I wish so much you wouldn't cry the way you did today. While thinking of the many things we didn't get to say. I know how much you love me, as much as I love you and each time that you think of me. I know you'll miss me too, but when tomorrow starts without me please try to understand, that an angel came and called my name and took me by my hand. He said my place was read, in heaven far above and that I'd have to leave behind all those I dearly love, but as I turned and walked away a tear fell from my eye. For all my life I'd always thought, I didn't want to die. I had so much to live for, so much left yet to do. It seemed almost impossible that I was leaving you. I thought of all the yesterdays the good ones and the bad. I thought of all the love we shared, and all the fun we had. If I could relive yesterday, just even for a while, I'd say goodbye and kiss you and maybe see you smile.

Love you always *Shunmia*
