Christian Appeal: "How far-reaching in its results was the influence of that one Hebrew woman (Jochebed), and she was an exile and a slave! The whole future life of Moses, the great mission which he fulfilled as the leader of Israel, testifies to the importance of the work of the Christian mother. There is no other work that can equal this. To a very great extent the mother holds in her hands the destiny of her children."-Patriarchs and Prophets, pg. 244.
