Nathaniel Watts

March 30, 1969 - June 14, 2023

**God Saw...
He was getting tired,
And a cure was not to be,
So He put His arms
Around him
And whispered,
"Come with Me."
With tearful eyes
We watched him suffer
And saw him fade away.
Although we loved him dearly,
We could not make him stay.
A golden heart stopped beating.
Hard-working hands to rest;
God broke our hearts to prove to us
He only takes the best...**

Life is But a Stopping Place

Life is but a stopping place,
a pause in what's to be,
a resting place along the
road to sweet eternity.

We all have different journeys,
different paths along the way,
we all were meant to learn some
things, but never meant to stay.

Our destination is a place
far greater than we know,
for some, the journey's quicker,
for some the journey's slow.

And when the journey finally ends,
we'll claim a great reward,
and find an everlasting peace,
together with the Lord.
