*I walked the land, I tramped the wood.
These are the things I understood.*

*No grand schemes, they passed me by;
I knew the lake, the hills, the sky.*

*To hunt a deer, to wet a line,
Gifts from God, So good and fine.*

*Friend and kin, I loved them so
Altho I'm gone, I'm sure they know*

*I'm now at peace, life's battles done,
I've faced the foe and I have won.*
