### *A Life Well Lived*

*A life well lived is a precious gift  
Of hope and strength and grace,  
From someone who has made our world  
A brighter, better place  
It's filled with moments, sweet and sad  
With smiles and sometimes tears,  
With friendships formed and good times shared  
And laughter through the years.  
A life well lived is a legacy  
Of joy and pride and pleasure,  
A living, lasting memory  
Our grateful hearts will treasure.*
