From the pen of Inspiration

The Bible Should be your guide. There can be no greater deception than for a man to think that he can find a better guide, when in difficulty, than the word of God. The blessed word must be a lamp to our feet. Bible precepts must be carried into the everyday life. 5T 559.1

Health Nugget

Centers for Disease Control and Prevention (CDC) recommends that adults get at least 150 minutes of moderate-intensity aerobic physical activity or 75 minutes of vigorous-intensity physical activity, or an equivalent combination each week. The guidelines also recommend that children and adolescents be active for at least 60 minutes every day. Following these guidelines can contribute to overall health, and decreases the risk of chronic diseases such as heart disease, cancer or diabetes.

Call to Worship Song - "His House"

We have come into His house, and gathered in His name, to worship Him. Let's forget about ourselves, and magnify the Lord and worship Him. Let us ask for healing grace And look upon His face, and worship Christ the Lord.
Worship Him, Christ the Lord
