

WHEN TOMORROW STARTS WITHOUT ME

When tomorrow starts without me, and I'm not there to see
If the sun should rise and find your eyes, all filled with tears for me
I wish so much you wouldn't cry, the way you did today.
While thinking of the many things we didn't get to say.
I know how much you love me, as much as I love you.
And each time that you think of me, I know you'll miss me too!
But when tomorrow starts without me, please try to understand
That an angel came and called my name, and took me by the hand.
They said my place was ready, in the heaven far above.
That I'd have to leave behind all those I dearly love.
But when I walked through Heaven's gates, I felt so much at home.
When God looked down & smiled at me, from his great golden throne.
He said, "This is eternity and all I've promised you"
For today life on earth is past but here it starts anew.
I promise no tomorrow for today will always last
And since each day's the same way, there's no longing for the past.
So when tomorrow starts without me, don't think we're far apart.
For every time you think of me, I'm right here in your heart.

We deeply appreciate the tribute accorded to our loved on by your presence here today. We would be pleased if you would join us for lunch and fellowship following the committal service at Grace Lutheran Church fellowship hall. ~ Marjorie's family
