The Morem Family

CELEBRATING THE LIFE OF

David Neil Morem

1957 ~ 2024

Drifting

Tranquil waters passing by,
the spot where sanctuary lies.

Let the music play through speakers, loud.

No one can bring us down now.

We let the current set us free,
on our own personal sea.

We turn our eyes up to the sky,
and watch the clouds drift by...

The scent of sunscreen applied,
cold refreshments over ice.

The subtle breeze carries fresh air.

The sun is setting, but no one cares.

We let the current set us free,
on our own personal sea.

We turn our eyes up to the sky,
and watch the clouds drift by...
