

Celebrating The Life Of Dick Guy Dimmick

September 18, 1935 ~ August 20, 2023

Dick Guy Dimmick, 87, of Alcester, SD, passed away on August 20, 2023. He was born on September 18th, 1935 to Barbara Bergman and Luverne Lundberg in Sioux City. He was adopted and raised by Esther (Harkness) and Guy Dimmick from Hawarden. Dick married Barbara Rausch in 1954 and they had three children. In 1962, Dick married Bonnie Miller and they had three children. He was a beloved husband, father, brother and friend to many.

Dick had an adventurous spirit and loved to travel. Dick and Bonnie traveled most of the United States by way of RV taking in all the nature they could. The couple also traveled to many countries including Canada, Mexico, Switzerland, Germany, Italy, and more. While Dick and Bonnie lived close to their midwestern roots, for many years of their life they decided to snow bird to places like Florida, Texas, and Arizona and made many lifelong friends along the way.

No matter where in the world he was, Dick was always an active and social person. Dick and Bonnie were award winning square dancers and filled their calendar with competitions and fun dances. Dick was also a skilled accordion player and could liven a room with his musical abilities. Near or far, Dick filled his days with lifelong friends- spending time having coffee, playing cards, pool, pickleball, or just sharing stories. Dick was also a man with a passion for all things with motors. He lived life in the fast lane, having driven race cars, trucks, motorcycles, and all-terrain side by sides. On all his adventures, Dick brought his beloved animals along. His daughters recount that he was always the one bringing stray animals home in an effort to save them and love them. The family always had dogs and cats, but they also had animals such as a horse that he tried to keep within Hawarden city limits and Jenny the raccoon who Dick saved as a baby and brought to live with the family; Dick was an avid animal lover his entire life.

Dick and Bonnie also spent their time supporting their family in all they were involved in- enjoying Friday night football games, plays and shows, many graduations, and lots of holidays spent together. Dick's family was large and he found so much joy in its continuous growth from new great grandchildren, to new found birth siblings whom he loved very much. Friends, family, and faith were the three pillars of Dick's life. Dick was a lifelong member of the United Methodist Church in Hawarden and loved gathering with his church community. Aside from his fulfilling social life, Dick also loved to work. Dick enjoyed his hands on work in construction and truck driving; he loved it so much he only recently hung up the keys to his backhoe at Runge Construction.

Dick lived a fun, full life. He was surrounded by people and pets who loved him and had so many activities that brought him joy. Dick is survived by his loving wife of 61 years, Bonnie (Miller) Dimmick, and his children Lance Rausch and his wife Lynn, DeLinda Allison, Brenda Jurens and her husband Dan, Donna Kelley and her husband Bob, and Penny Paparteys and her husband Bill. He is also survived by his brothers Jack Howell, Buster Tippery, Richard and Roger Lundberg, and his sisters Donna Jurgensen, Carla Lundberg, Katie Edson and Donna Howell. He has 18 grandchildren: Jeremy, Jesse, and Rose Dimmick, Joshua, Benjamin, and Krista Rausch, Tess Kula, David and Jason Mills, Natosha Schurch, Chris Scarbro, Emily Rodriguez, Kody and Karlton Waterman, Kayla Schurch, Kyle, Danielle, and Skyeler Paparteys and numerous great grandchildren.

He was preceded in death by his parents, his son Dennis Dimmick, and his brothers Jim Howell and Mike Lundberg.

The memory of Dick Guy Dimmick will forever be cherished by his family and friends. His adventurous spirit, love for travel and fun activities, and his overall zest for life will continue to inspire all who knew him.
