WE MISS YOU

I cried when you passed away,

I still cry today.

Although I loved you dearly,

I couldn't make you stay.

Your golden heart stopped beating,

Hardworking hands at rest.

God broke our heart to prove to me

He only takes the best.

Love Always

Mom and Dad

LOST WITHOUT YOU

To my twin, one of the hardest thing I

Ever experienced was losing you. I

Can't imagine the rest of my life not

Without you. The pain hasn't subsided,

But I'm going to carry on your legacy,

As I promised. I can go on because of

God's promises. Save a seat for me

My brother. Until that great day.

Love Always

Your Twin

TO OUR FATHER

UNTIL WE MEET AGAIN

We think about you always,

We talk about you still,

You have never been forgotten,

And you never will.

We hold you close in our hearts,

And there you will remain,

Walk and guide us through our lives,

Until we meet again.

Love Always

Your Kids

DEAR BROTHER YOUR MEMORY WILL NEVER FADE

Our dear Brother now that you are gone

You're no longer here to share

The bond we have together- a bond of love and care.

Yet, somehow something tells us

You are watching over us- now that from worldly cares

You finally are free we miss you so very much,

And my tears I cannot hide.

Yet, within our heart, we fell you are always by our side.

Ever since you went away, Life has never been the same

Yet, it comforts us to know that one day we'll meet again.

Love Always,

Your Sisters and Brothers

GRANDAD IN HEAVEN

Although you sleep in heaven now you're not that far away

Our hearts is full of memories and you're with us everyday

You lived your life with meaning and with a smile upon your face

A word that was full of happiness is now an empty place

People say that only time will heal a broken heart

But just like me and you, Grandad

It has been torn apart I know you are at peace now

And in a place where you are free. Meet me at the Pearly Gates.

Love Always,

Your Grandkids

I AM OK

*I am looking down on you from Heaven.
It's so peaceful, it's so free like I prayed.
All my fears, and my pain have gone away.
I miss you, but I know we'll meet someday.
But until then please go and spread your wings
And seize the day. I'm okay cause I'm
Dancing in the sky. I hope you go and live
Your life never give up one day we will reunite
I'm at peace, I'm happy and I'm free and someday
We will walk the clouds together. But first you
Must go, and see the world for me. We'll reunite*

*Love Always,
Your Dad*
