The Filipino-American Capital Seventh-day Adventist Church exists to GO WITH JESUS IN MAKING DISCIPLES OF ALL AGES.

Pastor's Note

A WITNESSING CHURCH

by Ramon V. Baldovino

This year this bulletin space will be filled with materials drawn from a book written by Elmer Towns, Dean Emeritus of the School of Religion and Theological Seminary at Liberty University in Lynchburg, VA. It is entitled "I Am Jesus: Let's Change the World."

"We cannot stop telling about everything we have seen and heard." (Acts 4:20)

I am Jesus, challenging you to witness to everyone about your salvation and love for Me. When I was on Earth, it was natural for Me to share My life and mission with everyone I touched. Now I live in you, so I want to speak through you to all you meet. Tell them of forgiveness of your sins and that I have a special place for your life. But more than that, you are part of a New Testament church challenge My disciples to be My witnesses beginning at their house in Jerusalem and extending to Judea, which was the surrounding area. So you should join with your church to be My witnesses in your home area and outlying communities.

I am Jesus, the power behind your testimony. I am the one who forgave all your sins when you called on Me for salvation. Now I am the One living in your heart. Let My presence in your life strengthen you to speak. Remember, those first disciples said, "We cannot stop telling about everything we have seen and heard" (Acts 4:20). Just share the Good News that changed your life, and it will change the lives of others.

Personal Prayer: **Lord, thank You for the privilege of being a witness for You. I don't deserve this privilege and I am not that good of a testimony, but I will tell my friends and fellow workers what You have done for me. Use me. Amen.**

KEY THOUGHT: A witness is one who testifies to others what Jesus has done for them and how He has changed their life.
