## THE GENTLE GIANT

The depth of one man's journey differs from day to day.  
The height of his landmark stands above all others  
in some remote way...

Nathan Butler Jr., I refer to him as Big Nate,  
who could reach out and above all obstacles within his landmarks,  
ones that he created...

June 13, 1943, his journey began taking on things most couldn't.  
And what others wouldn't...

Fearless, carefree but through his will and Jehovah's Way,  
life became a challenge, that he welcomed till his dying day.

A big man in the community, a gentle giant,  
would continue his journey courageously and defiant...  
A Son, Man, Brother, Uncle, Husband, Father, PopPop,  
and Friend to so many too! Dedication became a promise  
he made to himself to share his blessings with all of you!

There's never been a moment where giving up  
was a thought or a must,  
but giving in to Jehovah was someone he'd trust...So

As we say our farewells to this gentle giant  
we must remember his purpose and what it was  
to be continued on purpose as if it is.

Sincerely, The Family  
~By Paula Hopewell~
