You shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength.’ This is the first commandment. And the second like it, is this: ‘You shall love your neighbor as yourself.’ There is no other commandment greater than these.
Mark 12:30, 31 NKJ

Mission Statement

Aboite Christian School exists to provide a **quality education** for our students, where they can develop a **passion for learning** in the context of an Adventist-Christian setting. At the core of our mission is a desire for each student to develop a life-long, **personal relationship with Christ**, and to achieve success in this world, and in the world to come.

Philosophy

Aboite Christian School is operated in harmony with the principals of the Seventh-Day Adventist Church. We seek to educate students within a Biblical worldview, and we believe that true education develops the spiritual, mental, and physical powers of each student; preparing them for the joy of service in this life and for the higher joy of service in the life to come.

Vision

Aboite Christian school recognizes that, "*True education means more than the perusal of a certain course of study. It means more than a preparation for the life that now is...It prepares the student for the joy of service in this world and for the higher joy of wider service in the world to come.*" (Education by Ellen White pg. 13). Thus, we seek to:

- Support students to achieve their highest potential by employing Christ-centered educators who will encourage academic excellence and genuine Christianity through authentic relationships
- Encourage each student to love and serve God through community service learning opportunities, all while partnering with churches and community organizations locally and abroad
- Offer a strong curriculum, resources, and experiences that will foster opportunities for leadership and authentic learning
- Create a positive, uplifting, and safe environment where everyone is a teacher and everyone is a learner
- Partner with parents to promote academic, spiritual, and social growth within each student

Financial Policy

Aboite Christian School (ACS) is substantially funded by the First Seventh-day Adventist Church of Fort Wayne, as well as the Indiana Conference of Seventh-day Adventists. The cost to educate each student at ACS is approximately \$7,000 per child per year. This figure does not include Indiana Conference teacher subsidy and benefits.

The tuition and fees listed in the Student Handbook include parents' financial contributions toward instruction, textbooks, workbooks, instructional materials, most field trips, transportation, and some supplies. While this list covers most expenses, there will be some incidentals, which cannot be fully predicted before the school year starts.

1. New Student Application Fee: A non-refundable application fee of \$175 must be paid at the time of application by prospective students. New students who enroll during the second semester will be charged 50% of this fee.
2. Returning Student Re-Enrollment Fee: A non-refundable re-enrollment fee must be paid at the time of re-enrollment for returning students. The re-enrollment fee is \$130 (Feb 1-28th), \$150 for (March 1st - May 31st), and \$170 (June 1-Jan 31st) for processing each returning child's re-enrollment.
3. Supply Fee: A non-refundable supply fee of \$100 for all students. This fee includes a yearbook, 2 polo shirts, a T-shirt, and basic school supplies required by the school for each class. Parents should note that they may be asked to bring supplies if they run low later in the year. Supply fee will be 50% for students who enroll during the second semester.
4. Tuition: Tuition charges are for one school year. Payment may be made in a one-time lump sum or monthly over a period of ten months. Monthly payments are set up using FACTS Tuition Management. Parents and/or guardians are ultimately responsible for the full payment of tuition as agreed. This year's rates are as follows:

Kindergarten, Grades 1-6	\$5,300
Grades 7-8	\$5,400
5. Discounts: This school does not offer any discounts.

Parents must make application through the school to the Indiana Department of Education and meet all deadlines and criteria for eligibility. Once accepted, the student's account will be credited as payments are received from the state.
 - i. Lottery Process Policy: If Aboite Christian School receives more Choice Scholarship applicants than ACS can successfully accommodate, ACS will conduct a public random lottery drawing of eligible Choice Scholarship Students, who meet ACS admission standard
 - ii. Application submission to Aboite Christian School must be completed by the first of August of the current school year to be considered for the lottery.
 - iii. If needed, the lottery will be held the first Sunday of August of the current school year unless the first Sunday is the first day of the month, then it will be on the second Sunday of August.

7. Accounts: FACTS Management will draft the tuition payments on the dates determined on the FACTS Agreement. A payment is considered delinquent if the payment is not received by the end of the month the tuition is due (i.e. FACTS is unable to successfully draft the tuition payment due to insufficient funds, account closed). Tuition may also be paid as a lump sum at registration for the full year.
8. Delinquent Accounts: If an account falls more than 60 days past due, the student may be subject to suspension until the account is paid in full. No student whose account shows more than the current and the previous month's charges will be re-admitted unless special arrangements have been made with the School Board. Receipt of year-end grades is contingent upon the account being PAID IN FULL.
9. Outstanding Accounts: If there is an outstanding account balance at the end of the school year, a written agreement must be submitted and approved by the Finance Committee indicating how and when the account will be cleared.
10. Refunds: No refund of tuition will be allowed for regular vacations, absences or suspensions. If the student has received an Indiana voucher any refunds are returned to the state per DOE schedule if that student is withdrawn from school. A partial refund may be given for withdrawal or expulsion if the entire year's tuition was paid in advance.
 - a. No financial aid, scholarship, funds donated to the student's account, or Indiana School Choice Scholarship money will be returned to the student or student's parents/guardians.
 - b. No academic credit will be given for refunded portions. No refunds are automatic. They are given only if a written request is submitted to the finance committee within 30 days of withdrawal from school.
11. Accident Insurance: Accident insurance coverage is purchased by the school through a group plan with the Indiana Conference. It covers only incidents as allowed in the policy and only on school premises and official school functions. The coverage is limited in scope and considered secondary to a family's primary coverage. Therefore, families are urged to carry a family medical/accident policy.

4. Tardiness: A student will be marked tardy when he or she is more than 5 minutes late to school. Excessive Tardiness is considered more than 5 times per quarter or 3 times consecutively and may result in disciplinary action.
5. Absence: In order for a student to be excused from school they must have written parental consent. They will be allowed up to 10 days per year. Any days beyond 10 will be considered excessive and further disciplinary action will take place.
 - a. A parent should call and report an all-day absence by 10 a.m. of that day.
 - b. A written excuse signed by the parent/guardian, or doctor stating the reason for the absence will be required upon the student's return to school.

 - d. Schoolwork credit will be forfeited if the absence is not excused.
 - e. Unexcused absences are any absences that are not:

School Closing for Bad Weather

If it becomes necessary to close school due to severe weather or unsafe driving conditions, the closing will be announced on WBCL 90.3 FM, WANE TV 15, ABC 21 WPTA, and our [Facebook page](#). Courtesy Parent Alerts will be sent via text.

Religious Activities

The school day begins with devotion and prayer. Spiritual emphasis is given to every aspect of classroom instruction. Each room has a prayer of thanksgiving before the noon meal and at the close of the day. Throughout the year, students may be involved in making Christian visits to homes, in preparing choral arrangements and religious programs for church services, and other religious church-related activities.

Academics

1. **Grade Cards:** Grade cards are issued following the close of each nine-week period. These reports should be examined carefully by parents/guardians both for scholarship and conduct. Parents/guardians will have the opportunity for at least two scheduled conferences with the teacher during the year. The parent/guardian who is financially responsible for the student will receive the grade cards unless other arrangements have been made.
2. **Achievement Tests:** As part of the regular academic program, achievement tests will be given to determine students' progress. Iowa Assessments are given in the fall and ILEARN+ are given in the spring.
3. **Parent - Teacher Conferences:** In two parent/guardian homes, it is strongly encouraged that both parents/guardians attend the scheduled parent-teacher conferences. If the parents/guardians are unable to attend the regularly scheduled meeting, they need to re-schedule the conference as soon as possible.
4. **Field Trips:** Each class is encouraged to take a limited number of field trips each year. It is hoped that these trips will provide an enriching and valuable learning resource for the instructional program. In some instances, a small fee may be necessary. **Parents/guardians or family members may attend field trips only if they have completed Verified Volunteer background checks and have been fingerprinted.** Student attendance is expected and the attendance policy as well as appropriate behavior as outlined in our handbook applies to all trips.
5. **Visitors:** In general, the presence of visitors who are not potential students is discouraged due to class disruption. Anyone wishing to visit during regular school hours needs to make prior arrangements with the principal and homeroom teacher. The principal reserves the right to grant or deny visitor requests.
6. **Missing Assignments:** Students who are missing assignments, both in-class assignments and homework, may be required to schedule a parent-teacher conference to develop an academic intervention plan. This plan may include required before or after-school academic sessions.

Student Technology User-Agreement

Students will be issued school owned devices to use for academic purposes at ACS. All technology devices assigned to students are property of the school and must be returned upon request. These devices include, but are not limited to: Chromebooks, iPads, and tablets. All of the following conditions below must be agreed to in order to use ACS devices:

1. Student agrees to use their assigned device, unless otherwise directed by their teacher or a staff member.
2. Student agrees to use the only the apps and websites that their teacher instructs them to use at the time their teacher instructs them to use those sites.
3. Student agrees to properly get their device, holding it with both hands, and return it to the appropriate place of storage after use.
4. Students agree to not eat or drink while using the device.
5. Student agrees to only use their device at the appropriate time, and to not record (photo or video) others without consent from the person and their teacher.
6. Student agrees to close all websites and apps and return the device in good condition when finished with each use.
7. Student will not use the Internet and other search apps to search material that are inappropriate for school. They agree to not change settings, add, or remove apps to devices without permission from their teacher. They will not remove devices from classroom without permission from their teacher.
8. Student and parents/guardians will be held financially responsible for damages.

Health and Wellness

1. Health Statement: ACS believes children need healthy food, exercise, plenty of water, sunshine, plenty of rest, fresh air, to refrain from substances that can harm their bodies, and trust in God.
2. Rest: Students need consistent, proper rest. A young child needs ten to twelve hours of rest each night. Parents, please encourage your student to get the proper rest they need for each school day.
3. Fevers at school: Fevers at school present potential risk to other students. A child is considered fever-free if their temperature is less than 100.0 degrees Fahrenheit (F). Your child must be fever free for at least 24 hours (without the use of fever reducing medications), before returning to school. If a teacher finds that a child's temperature is 100.0 degrees F or more, the parent/guardian will be contacted to arrange prompt pickup of the child.
4. First Aid and Medication: In case of accident or sickness, minimal first aid will be given. The teacher must be informed of all medication sent with students to school. Only prescribed medication in original containers may be sent and must be authorized by a parent/guardian signature. Students are not to dispense medication to other students, including aspirin or other OTC medications.
5. Lice: ACS conducts random lice-checks throughout the school year. If lice is detected in a student's hair, they may be sent home, and will not be able to return to school until it is treated. Chronic cases will require a doctor's note to return to school.
9. Asbestos: The school is in compliance with federal legislation regarding asbestos. It is our purpose to provide a safe environment for our students.

Record of Notification

Federal law requires a public announcement to be given to school patrons regarding any asbestos containing material in our school. Our school facility has been checked by a Licensed Asbestos Building Inspector. The report is on file with the school. This document is available for those wishing to see it. **All asbestos containing material in the school is in a non-friable condition and presents no hazard to anyone at the present time. It will be checked at stated periodic intervals as required by law to ascertain any change in the material.**

Lunch

1. Nutrition: The value of a wholesome, well-balanced breakfast and lunch can be of substantial aid in the education process. ACS would like parents to assist in this matter by sending a well-balanced lunch for each of their students. (The school does not participate in the Free/Reduced lunch program.) The following guidelines should be followed:
 - a. Meat: While we recommend a vegetarian diet for health reasons, we recognize that certain meats are acceptable for consumption according to Biblical rules, see Leviticus 11. Therefore, only clean meats may be brought to school. i.e. Do not bring pork, shellfish, shrimp, and other Biblically unclean foods. In order to respect all families, we ask that this policy be strictly followed.
 - b. Beverages: Drinks that contain caffeine and/or excessive sugar are not suitable or healthy for the student and should be avoided. Caffeinated and high-sugar drinks are not to be provided in lunches.
 - c. Trading/Exchanging of Lunches: Absolutely no trading or exchanging of lunches will be allowed unless express written permission is given. This is to ensure that the parents' wishes for their student's eating habits are followed.
 - d. Snacks: Healthy snacks in the classroom are allowed during scheduled snack or meal times.
2. Birthday Parties and Other Celebrations: Children are allowed to bring a treat to share with their classmates on their birthday. All parties with refreshments need to have administration or teacher approval. Please let the teacher know at least a day before the event. Please, have enough food to share with the entire class and/or school.
3. Proper Place to Consume Food: For safety and cleanliness reasons, food must be consumed only in the properly designated areas.

Appearance and Dress Code

ACS promotes simplicity, neatness, cleanliness, and modesty in the school dress code. Grooming habits that present a modest, wholesome and healthy Christian appearance are required. Cleanliness and attire have an influence on students' scholastic achievement, self-esteem, and acceptance by their peers. Therefore, an acceptable dress code has been selected with corresponding choices in styles and colors.

1. Shirts: Solid color polo/uniform and dress shirts (button up the front) in long or short sleeves.
2. Pants/Shorts: Casual or dress uniform pants and shorts. Shorts must be knee length. Color options are navy blue, black, brown/khaki/tan, and gray. No jean jeggings are allowed. Sweatpants may be worn during PE.
3. Skirts/Skortts/Split Skirts/Jumpers (for girls): Casual or dress uniform skirts, skortts, split skirts and jumpers must be knee length. Color options are navy blue, black, brown/khaki/tan, and gray.
4. Clothing and shoes must be neat, clean, and without holes.
5. Shoes and socks must be worn at all times. Sandals and open-toed shoes are not allowed.

8. Unnecessary adornment should not be used. Nail polish, if worn, should be in colors that are neutral.
9. On Friday students may choose to wear jeans (not stretch jeans or jeggings) with an ACS T-shirt.
10. If a student is not wearing the correct uniform, students may be charged for a new ACS t-shirt or polo to change into, parents may be required to bring a replacement uniform, or student may be sent home.

1. Music and Video Games: Students are not allowed to bring personal entertainment devices to school. If brought to school, these items will be confiscated by the teacher and returned to the parents.
2. Phones: Students will not use school telephones or cell phones without the permission of school staff. Students' cell phone should remain in their locker during school hours. ACS is not responsible for loss, damage or theft of items. If a parent or family member needs to contact a student, they are to call the school office, as students will not access phones during the day.
3. Leaving School: Students must not leave the school grounds without supervision and/or permission. Students shall not be taken from school or class by unauthorized persons. The teacher must approve all exceptions which include persons with the written approval of parents and/or guardians and properly identified officers.

Lockers must be kept tidy.

8th Grade Graduation Procedures

All graduation plans, including the date, will be reviewed by the School Board. All students in all grades are required to attend, and some non-8th grader may be required to participate in the graduation program.

1. The responsibilities of the principal with regards to graduation include:
 - a. Organizing the graduating class at the beginning of the school year.
 - b. Overseeing the raising of funds.
 - c. Planning the graduation program with class and parent cooperation by the beginning of the last quarter, including motto, colors, speaker, special music, and flowers.
2. The parents of the graduates will be responsible for the reception following the graduation.

Parent-Teacher Relationships

The success of the school depends, in a large measure, upon cooperation between parents and teachers. It is expected that parents and teachers will work together. If students make complaints to their parents concerning school matters, parents are urged to contact school management and withhold judgment until an investigation can be made.

In the formation of character, no other influences count so much as the influence of the home. The teachers' work should supplement that of the parents, but it is not to take its place. In all that concerns the well-being of the child, it should be the effort of parents and teachers to cooperate. Education p. 283

If a suggestion with regard to the teacher's work becomes necessary, it should be made to them in private. If this proves ineffective, the matter should be referred to the principal, and then, if need be, to the School Board Chairman.

The following statements summarize students', parents' and staff rights and responsibilities. In exercising their rights, students, parents, and staff shall not disrupt the education process or force upon, endanger, or deny others their rights.

Home and School

The Aboite Christian School Home and School Association aims to connect our parents and students with our staff, and provide fundraisers that assist with the overall operations of the school. This connection is strengthened through school events, parent-directed activities, and fundraising efforts.

These events include, but are not limited to:

- Our Annual Fall Party
- Hot-Lunch Days
- School Potlucks
- Fundraisers
- Family Socials
- Other Board Approved Activities

Parents are encouraged to check with IDOE or the CDC to find the latest information regarding schools and COVID-19.

Please note that this is a working Document. It is important that you check the ACS website as well as emails from our email system when an update has been indicated. Please save this information as it pertains to daily organization and routines at ACS.

ACS School Days and Virtual Days

- School Days will be as follows.
 - Monday, Wednesday, and Friday will be in person school days.
 - Tuesday and Thursday will be Virtual School Days.
 - School will begin at 9:00am and end at 4:00pm on Monday through Thursday. This includes virtual class time.
 - School will begin at 9:00am and end at 2:00pm on Friday.

E-Learning and In-Person Learning

- Parent's who elect to engage in E-Learning may not later elect to have in-person learning later in the same semester.
- If a parent would like to engage in a different schedule for learning in an up-coming semester that parent must schedule a meeting time [phone or virtual] with school principal to discuss this desired change.
- Students that have made a change from one semester to another are not guaranteed a spot on the school vans.

ACS guidelines for Temperature Checks

- Student temperatures will be checked as students arrive each day.
- ACS Staff members will conduct a self-check of their temperatures before leaving home.
- Students registering 100.4° or above will be sent home. (Adults providing student transportation are asked to remain in the parking lot until their child(ren) have passed the screening.)
- ACS staff will do random temperature checks during the day.
- If a child spikes a fever during the school day and/or display other COVID-19 symptoms, parents will be contacted, and the student will be moved to an "isolation room" until they can be picked up.
- Students and staff members that have been exposed to COVID-19 or have been in an environment where exposure was possible [such as international travel or large gatherings where social distancing and masks are not worn] will need to remain home until it can be determined that they have not contracted COVID-19.
- Students and staff members with temperatures above 100.4° will need to remain home until further testing verifies that they can return to the classroom. During quarantine, *students must continue with virtual classes if they are physically able.*

Symptoms Impacting Consideration for Exclusion from School

ACS staff and students will be excluded from the building if they exhibit these COVID-19 related symptoms:

- A fever of 100.4 ° F or greater
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

Students and employees will be excluded from school if they test positive for COVID-19 or exhibit one or more of the symptoms of COVID-19 based on CDC Guidance that is not otherwise explained.

Face Coverings

- Students will need to wear face coverings when adequate social distancing is not possible. [example – during group projects or when working together].
- ACS will provide cloth face coverings for each student [These must be washed]. *Any Disposable coverings must be thrown away after a day's use.*
- Teachers will be required to wear face masks or shields while teaching if they cannot maintain social distancing from their students.
- During physical activity (PE, gymnastics, recess, etc.) students are not required to wear a mask. Staff will wear face coverings if adequate social distancing methods are not able to be used [such as while spotting]
- Students with medically documented reasons for not being able to wear a face mask may wear a shield instead.

Sanitizing Procedures

- Hand sanitizing stations are available in every room.
- Students will be encouraged to wash their hands frequently with soap and water, not just with hand sanitizer.
- Common touch” surfaces (entryways, door handles) will be sanitized after each school day.
- Classrooms and individual equipment will be cleaned and disinfected after each use.
- School vans will be cleaned and sanitized after each use.

Transportation Guidelines

- We ask that all parents wait in their cars when dropping off and picking up students.
- We ask that parents not approach the school vans when students arrive from school. Please maintain at least 6 feet from the ACS Vans.

Administration:

- Should the Principal become incapacitated due to COVID-19 or related issue. All administrative inquiry should be made of the Board Chair or Assistant Board Chair.
- Should a member of the professional teaching staff become ill or incapacitated due to COVID-19 or related issue a substitute teacher will be established, and contact information provided to families, staff, and board members.

Medical Inquiries

Federal law typically limits the type of medical inquiries that can be made, but given the nature of the pandemic more leeway has been given to districts/schools in this circumstance to make additional medical inquiries of staff and students than would otherwise be allowed.

Student Support System for Success

Aboite Christian School strives to educate students to Christian standards which will help them to become productive, responsible citizens. In addition to academics, principles of good Christian citizenship are taught, demonstrated, and modeled. ACS would like to teach all students to respect themselves, respect others, and respect things.

Student behavioral concerns are considered opportunities for instruction and growth. Therefore ACS is implementing “**The Student Support System for Success**”. This balanced approach will maximize the learning of all students by addressing social and emotional needs and behavioral growth at individual levels. This approach is most effective when school staff, parents/guardians, and school board members work together as a team to guide student behavior.

The “**Student Support System for Success**” uses progressive levels of corrective responses.

Progressive Levels of Corrective Responses

1. **Level 1: Classroom Teacher Corrective Response:**

This corrective response will be used by the homeroom teacher to teach appropriate classroom and school procedures. These behaviors are of low-level intensity, passive in nature, and/or non-threatening. Level 1 corrective responses may include a time out period, but will not include long periods of removal from classroom instruction.

2. **Level 2: Team Corrective Response:**

This corrective response will be managed by a team which includes the homeroom teacher and principal (and if necessary another ACS staff member). This team will meet with the student to discuss and create a behavioral action plan. Level 2 corrective responses may or may not include removal from the classroom, extra chores around the school, and/or in-school suspension.

3. **Level 3: Intervention Team Response:**

This corrective response will be managed by a larger team which includes the Level 2 team plus the school board chairperson or other members of the school board, parents/guardian, and/or an advocate that understands the educational and emotional needs of the student. The behaviors in this level are those that significantly interfere with others' safety and learning, are of a threatening or harmful nature, and/or are violations which require school board action. Level 3 corrective responses may include out of school suspension for up to 5 days and/or expulsion from school.

4. **Level 4: Law Enforcement Response:**

This corrective response will be managed by the Principal, School Board, and Conference Superintendent. This group will be responsible for making all final decisions and/or reporting serious behaviors that violate Federal and/or State laws. Level 4 corrective response will include expulsion and/or referral to law enforcement personnel.

5. **Note:** Corporal punishment is not allowed on school premises.

Student Code of Conduct

<p>Level 1: Classroom Teacher Corrective Response – Used by the classroom teacher to teach appropriate classroom or school procedures. This level includes 1st offenses, and/or unintentional actions.</p> <p>2nd offenses of same level behavior will go to Level 2.</p> <p>3rd offenses of same level behavior will go to Level 3.</p>	<p>Level 2: Team Corrective Response – Team may include the classroom teacher, the principal, and another staff member if required. Responses in this level may include in-school suspension (ISS).</p> <p>2nd offense of Level 2 behavior will go to Level 3.</p>	<p>Level 3: Intervention Team Response – Team may include classroom teacher, principal, board member(s), a student advocate, and parents. Behaviors at this level may be severe enough to warrant suspension or expulsion.</p>	<p>Level 4: Law Enforcement Responses for Serious Violations – Student behavior that seriously affects the learning environment or safety of others. Response to the offense at this level could include extended suspension or expulsion and referral to law enforcement.</p>
