Welcome

Does your past determine your future? Do the sins of your past cast a shadow over your future life? Are you doomed to repeat the failures in the past, in a nightmare like Groundhog Day, living the same life of shame and sorrow, over and over forever? The answer is NO! We are not doomed to repeat the mistakes of our family or even our own, our past does not determine our future, and the future of our past can be completely changed! It's a new day for you!
