

LeAnne Ruth Freeman was born on October 17, 1957, in St. Cloud, Minnesota, the daughter of Gayle and Evelyn (Refling) Freeman. She grew up in St. Cloud, graduated from St. Cloud Tech High School in 1976. After high school, she attended the NDSU branch at Bottineau, ND and received an associate's degree in Greenhouse Management.

After working in numerous positions in the floral business, she then returned to school, graduating summa cum laude from St. Cloud State University with a degree in Recreational Therapy. She was then hired at the Willmar Park Department, retiring in 2016.

She enjoyed butterflies, and cultivated flowers in her yard to attract them. When her vision allowed, she did beautiful cross-stitching. She was a fan of the Minnesota Timberwolves and the Minnesota Lynx.

Sadly, she suffered a stroke and was then also diagnosed with Parkinson's disease.

She continued to volunteer, with the Willmar Police Department and her church, among other organizations. In 2020, she moved into Talamore Senior Living in St. Cloud until her passing.

LeAnne passed away Sunday morning, June 2, at the St. Cloud Hospital.

She is survived by her brother, Jim Freeman of St. Augusta, MN and many dear friends who will miss her greatly.

She was preceded in death by her parents.

*The butterfly emerges
from its silken shell-
Reborn, it arises,
no longer bound to earth.
Free at last, the butterfly glides
to heights unknown before.*

*So do our loved ones find
a beautiful release
as, earthbound no more,
they leave our sight and joyfully rise
to a garden of matchless beauty,
a place of light and peace.*
