

Donovan Wade Pfremmer

was born July 11, 1964, the son of Kent and Marjorie (Moodie) Pfremmer in Orlando, Florida. He grew up throughout the United States following his family to various military bases. After graduation, Donovan enlisted in the US Army where he served 22 years before retirement. He married Sonda Warnke. To this union two children were born, Derek and Tera. Later in life, Donovan met and married Ruth Ann Sand. This union was blessed with six children: Savannah, Donney, Allen, Angelica, Maggie, and Skyla. The family made their home in Sedalia, MO before moving to Minnesota in 2015, making this their home ever since. Donovan most recently worked at Nuverra in Dickinson, ND. He loved spending time with his children and grandchildren and was known to provide much amusement through song and dance, for them. Donovan enjoyed visiting with anyone and everyone he met, he never knew a stranger. He loved riding motorcycle, enjoyed hunting and fishing, and playing cribbage. He was a big sports fan, especially the Vikings, and liked to play practical jokes. Donovan was an amazing story teller who provided entertainment with his quick wit and enthusiasm.
