Heaven Needed Mom

*So many things of Mom I miss --
Her gentle hug and tender kiss.
I still can feel her warm embrace.
And picture yet her loving face*

*A mothers' tasks are never done.
And Heaven must have needed one.
For angels came and took her hand
And led her to God's promised land.*

*She's surely kept quite busy there
While brushing little angels' hair.
And making sure they're dressed just right.
Not staying out too late at night.*

*Although there's sadness, this I know --
She's waiting there, her face aglow
I close my eyes and I can see --
Her arms still open
wide for me.*
