This Christmastime, take a journey back in time as you walk through the streets of Bethlehem and travel all the way to Calvary.

A fully costumed cast of 100 + members, as well as a wide variety of animals and live music will bring the Christmas story to life.

Experience the sights and sounds of not only Christ's birth, but also His life, crucifixion and resurrection as a leader guides your group throughout thirteen different scenes.

In an effort to share the real Gift of Christmas with our neighbors, we will be also collecting non-perishable food items to contribute to the local food pantry, the Total Life Community Center, in Siloam Springs, AR. This center distributes food weekly to multiple local families in need. Let's share Christmas with our neighbors in this tangible way as we show Christ's love through our actions.

Several golf carts will be available for those unable to walk through so that all may participate. Refreshments will also be served.

We hope that you can come and
create a family tradition as you step
back in time and travel from
"Christmas to the Cross"!

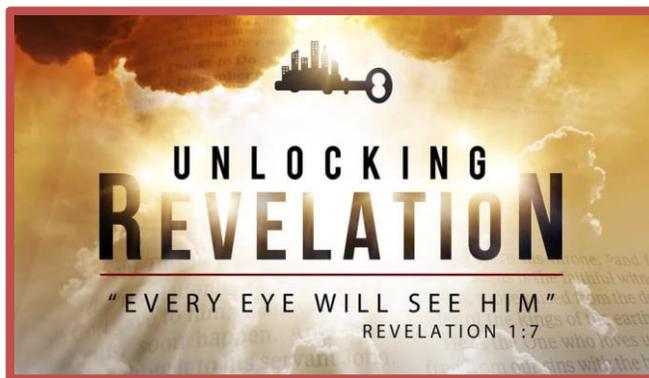

This is meant to be an outreach for
our fellow church members as well as
our local community as we present
the Christmas story. We have had
many come from the community and
hope to build a family Christmas
tradition as we present the live nativity
for the third year.

There are many ways you or your
child could be involved in the nativity -
- villager or shop keeper in
"Bethlehem City", angels in the choir,
shepherds (with real sheep to "watch
over"), or part of the crowd in the
Feeding of the 5,000 scene which is
new this year. Children can sign up for
one or both days. Sign-up sheets will
be available in a few weeks.

If this is something you have an
interest in, please join us for our
organizational meeting on Sunday,
October 27 from 6-7 PM in the Ad
Building at Ozark. If you are not able
to make it to the meeting but would
still like to participate in some way,
please contact Judy Fetters at (804)
874-9430 or
email: euqlena1370@yahoo.com

Any little bit helps and I know that God
will multiply our efforts as we seek to
share the true meaning of His life at
Christmas time with our fellow
neighbors!
