~ Daddy's Girl ~

BUBBY!!!

I have searched for the words and absolutely nothing would be good enough to say. With you, there is no summarizing. My protector, my best friend, my BUBBY, my baby brother, my heart... You're really gone and it breaks my heart a million times FRESHLY, every time I think of you. It hurts!!! Who's going to check on me KenKen? I will miss our long conversations on the phone.

Why'd you leave me, Bubbs? I was rushing home to hug you, to lay hands and pray for you, to speak life, to declare you will live and not die... I was on the way, but for some reason I could feel you weren't on this earth anymore. I've hurt and had some heartbreaks, but this takes the cake!!! I wish it was a dream, Bubby. I wish you'd say, "got you baby, it was a joke". Now, I'd probably be mad, but I'd be better and happier. The last

thing I got to do was play you my song before we got off the phone, I will release it for you!!! I love you so much, Bubbs. Wish I had more earthly time with you As upset as I am, I know you wouldn't want me to stay like this, in due time, I'll get there..you know me best. You'd always say, "talk to BIG BRO". I'm okay with being the little sis, now . Your music is on repeat, you are the BEST to ever do it. I really miss you and I'm sick without you, Bubbs! This one is personal!!!!

Acknowledgement

Perhaps you sent a lovely card, or sat quietly in a chair.
Perhaps you sent a floral. If so, we saw it there.
Perhaps you spoke the kindest word a friend could say.
Perhaps you were not there at all, but just thought of us on that day.
Whatever you did to console our hearts,
We thank you Very Much.
And May God Bless You All.

God Knew

Now He who has prepared us for this very thing is God, who also has

Given us the Spirit as a guarantee. So we are always confident, knowing that while we are at home in the body we are absent from the Lord.

For we walk by faith, not by sight. We are confident, yes, well pleased rather to be absent from the body and to be present with the Lord.
