Give Thanks! On November 28, Brooks and Susan are leading out for worship and would like the service to be one of Thanksgiving for what God has done this year. Please go through your phone or camera and select two or three pictures that reflect your praise. Write a few sentences about each picture. And then email the thanksgiving and picture to payne.su@gmail.com Brooks and Susan will put everyone's pictures into a PowerPoint to share that morning. You don't need to be present to praise. Because of COVID concerns, they will share what you have written so that no mics are being passed around. On November 28, let the walls of our church ring with thanksgiving and praise to the LORD! Please have the pictures and praise to Susan no later than November 22.
