## Pastor's Note

### EXPONENTIAL PRAYING

by Ramon V. Baldovino

This year this bulletin space will be filled with materials drawn from a book written by Elmer Towns, Dean Emeritus of the School of Religion and Theological Seminary at Liberty University in Lynchburg, VA. It is entitled "I Am Jesus: Let's Change the World."

I am Jesus who poured out the Holy Spirit on 120 believers on the Day of Pentecost. It didn't happen just because I promised to do it. It happened because they fasted and prayed and prepared to obey the Great Commission. They fasted and prayed for 50 days. That is a long time to continue praying and worshipping without seeing results. How long will you worship, and wait, and pray, to become an exponential church that will change the world? Remember, because they had the power of the Holy Spirit, it was said, "These that have turned the world upside down are come here also" (Acts 17:5, ELT). To get exponential results, you must be an exceptional follower. Go stand under the spigot, pray and wait for Me to fill you.

I am Jesus who will make you an exceptional follower. If you let Me pour out the Holy Spirit on you, you can see exponential results in your prayer life, your Bible study, your ministry and your worship. Are you satisfied with the old life you lived before I came into your life? Begin by being filled with the Spirit. Stand, wait, pray, and believe.

*KEY THOUGHT: When believers in a church seek the fullness of the Holy Spirit and let Him control their life and ministry, the church will have exponential blessings.*
