## **Get connected: small groups**

It's great to get together on a Sunday as one big family. But we all need to feel we are known, seen and heard and that is not always easy at a large gathering. Being part of a small group helps us to feel supported and connected. We have a variety of small groups that provide the opportunity to develop friendships, have fun and grow as disciples. They can also encourage us in reaching out to those around us, whom we long to see come to know Jesus.

Whatever your age, stage of life, or interests, there is a small group for you, whether you have been part of the church community for years or days or anything in between!

If you would like to join a small group please email the church at [info@altrinchambaptist.org](mailto:info@altrinchambaptist.org) with a little bit of information about yourself and contact details

## **Family News -**
