**March Education Prayer Focus** – Reading Seventh-day Adventist Junior Academy

### **Community Blood Drive**

The Health Ministries Department of the York SDA Church, together with the American Red Cross, will be hosting a Community Blood Drive in our gymnasium from 11:00 a.m. to 4:00 p.m. on April 3, 2021. Please plan on inviting your friends and relatives to be part of this blood drive and provide the life-saving gift of blood.

To participate, please register with the Red Cross at [redcrossblood.org](http://redcrossblood.org) (you will need to create a username and password). Once registered, search for the blood drive by inserting the zip code (17408) and/or date (April 3rd). If it is easier, call the red cross at 1-800-733-2767 to reserve your time, OR sign-up using the sign-up sheet in the foyer (you will need to provide name, email address, and DOB, so I can input the information on your behalf).

Thank you for in advance for your donation.

### **Sound Bites and Tech Tips:**

#### **From the York SDA Sound Room**

Bite – The average American spends as much as 12 hours per day on screen time. Consider spending some of yours checking out the media library on our website or YouTube channel – you will be blessed!

Tip - Cell phone driving safety:

Let the person you are speaking with know you are driving. If necessary, suspend the call when in heavy traffic or hazardous weather conditions. Rain, sleet, snow and ice can be hazardous, but heavy traffic can be just as dangerous. As a driver, your first responsibility is to pay attention to the road.
