

Hello Parents and Friends! The yearbook staff at APCS is working hard to produce a top quality yearbook for 2017-2018. Please consider supporting our efforts by purchasing an advertisement. Advertising options are as follows:

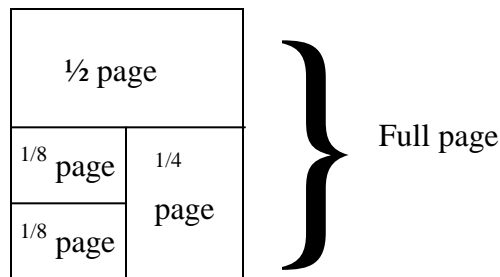

- Recognition Ads**—Honor a special student or class. Messages from friends and family make lifelong memories for the students. To purchase a recognition ad, select your favorite photos, compose your message and submit along with your payment and contract to the school office or to apcs.sec@gmail.com.
- Friendship Ads**—Students can send a special message to classmates. To purchase a friendship ad, select your favorite photos, compose your message and submit along with your payment and contract to the school office to apcs.sec@gmail.com.
- Business Ads**—ask your employer to support the yearbook by purchasing a business ad. They can even recognize your child or the graduating class while advertising their business. To purchase a business ad, you may submit a print ready advertisement, or you may submit your graphics and text and we will design the layout for you. Just submit your information along with your payment and contract to the school office to apcs.sec@gmail.com.
- Personal Business Ads**—Purchase a business ad for your business. To purchase a personal business ad, you may submit a print ready advertisement. Just submit your information along with your payment and contract to the school office or to apcs.sec@gmail.com.
- Patron Ads**— become a patron. Donate \$25 to the yearbook fund and be listed in our business section as a supporter of the APCS yearbook.

*Please carefully consider the length of your message and the number of photos you plan to submit when selecting the size of ad you wish to purchase. Too much information on a small ad becomes illegible.
