4/12-15

Monday	Haystacks
Tuesday	Stroganoff
Wednesday	Subs, Chips, & Fruit
Thursday	Pizza, Salad, & Applesauce

OUR WEEK

This week, we have been studying Earth's moon! Children have a lot of familiarity with this part of our space study, but it's been fun to learn more together and continue working on our number and letter skills. We made moon phases using Oreo cookies and watched a video of astronauts walking on the moon.

Next week, we will ask the questions – "How do we travel in space?" and "What do astronauts eat in space?"

CLASSROOM ITEMS & ANNOUNCEMENTS

- We are excited to have raised \$22974 and had 7 students participate in the **Kids' Heart Challenge**. Thanks so much for helping with this!
- The staff have scheduled two more **spirit days** on Fridays:
 - April 16 is School Spirit and Crazy Hair day (school colors are navy blue and white, sports teams are the Stars). Students may want to wear their red field trip shirts with school logo that day.
 - April 30 is Beach Bum day (bring closed-toed shoes for recess if they wear sandals, swimsuits must include shorts)
- Students entering Kindergarten in August need to have a **school physical**. The forms are available in the office at any time from Mrs. Reedy. ****If you have a well visit scheduled this spring, you can take this form and have it filled out by your child's healthcare provider.****
- **Gesell Development Observation** – Students entering Kindergarten next fall are given the Gesell Development Observation. This assessment will be given during the school day, so no additional testing appointment needs to be made. The GDO-R will be given later in April.
