

## Recounting His Blessings

*"The One who gave his life that we should not perish is the divine Teacher, and he appeals to every blessing of the natural world, the showers that fall upon the earth, the dew, the glorious sunlight, given alike to thankful and unthankful. The bounties of God's providence speak to every soul, confirming Christ's testimony to the supreme goodness of his Father. The Lord would have his people realize that the blessings bestowed upon any object of creation are proportionate to the place that object occupies in the scale of creation. If even the wants of dumb animals are supplied, can we appreciate the blessings which God will bestow upon the beings formed in his image?" The General Conference Bulletin, October 1, 1899.*
