

*Cathy* Jean Ferguson was born on August 13, 1954 to HT and Francis (Roscoe) Ferguson down in Baton Rouge, Louisiana. Her father was an active member in the Air Force, so from a young age Cathy was accustomed to traveling. Throughout her childhood, they were stationed in Louisiana, Arkansas, and Japan. For a while Cathy owned a home in Houston, Texas where she worked and was able to be closer to her brothers and father. Eventually in 1980, she would move up north and called the Breckenridge/ Wahpeton area her home.

Cathy loved playing softball and was very talented as a shortstop. She had a deep love for all animals and held her cats, Scooter and Chloe, close to her heart. When she wasn't working, playing softball, or with her animals, Cathy could be found with her good friend, Roger Bergeman. She enjoyed getting out of the house to visit with friends at Rainbow Court, doing puzzles together, or just having a pot luck and spending time with them all.

Cathy will be greatly missed by her friend of 31 years, Roger Bergeman; her brother, Keith (Marlene) Ferguson; her nieces and nephews, Joshua (Rachel) Ferguson, Jacob (Victoria) Ferguson, Mikia Ferguson, Jerry Jr. Ferguson, Johna Ryg, Travis Thielman, and James Ferguson; and her great nieces, Miura and Reese Ferguson.

She is preceded in death by her parents, HT and Francis Ferguson; and her brothers, Michael and Gerald Ferguson.

*The family wishes to express their gratitude for your kind expressions of sympathy and for honoring Cathy with your presence at the service.*

GOD looked around the garden,  
And found an empty space.

He looked down upon the earth,  
And saw your tired face. He put

*His arms around you*

And lifted you to rest.  
God's garden must be beautiful  
For He only takes the **BEST.**

He knew that you were weary,  
and He knew that you were in pain.

He knew that you would never  
be well on earth again.

He saw the roads were getting rough,  
and the hills were hard to climb.

So He closed your weary eyelids,  
and whispered

*Peace be Thine.*
