## Praise Report from Terra Yarbrough

But just have to share with 'the world'  
- (My way of shouting from the rooftop)

Saw my electrophysiologist today...first time seeing him since my second ablation in July for v-tach.

I was so happy to report that I am doing well ♡ as things had been such a struggle for a few years for me, and had gotten so much worse the last 2 years....It was his third attempt...and it's a long story, but...it

came down to me asking him to think outside the box...and he listened to me and humored my request...and it worked ♡

He said he did a victory dance when he heard I was doing well ♡♡♡ And I don't need to go back for a year ♡

Join us for a night of painting for fun! 🧠  
Our project will be on canvas - the example is on boards ♡
