Dedicatory Prayer ..... Brooke Denkers, Son

*Like stones in the river  
we are tossed and turned,  
when the current moves so strong.  
Stones in living water over time  
are shaped until the edges are gone.*

*Polished and smoothed  
that's what we will be,  
if we put ourselves in God's Hands.*

*Each day of our lives  
is a gift from the giver,  
Smoothing all the edges  
like stones in the river.*
