### **A Treasure Gone to Soon**

Written by JBax

You took on countless things in life, never saw you blink twice.  
You stood in the gap for other people, took the toll and never showed your weakness.  
The love for others showed each day when all was said you made a way.  
I remember the times you stood in the gap, listening to others so they didn't crack.  
A son, brother, father, husband, cousin, nephew and a friend you stood in the gap  
watching them become the man and woman because we made a pac.  
I'll try to remember the things you tried to include as you were never misunderstood.  
We'll miss you without a doubt, you'll always be the one who looked out.  
Rest In Peace Terrance until we meet again  
Love you as a son, brother, father, husband, cousin, nephew and a friend.
