

*The Peaceful Rest*

*There is no fear of dying  
If we think of it this way,  
It's like going to sleep with Jesus  
When we fold our hands and pray.*

*When we are really tired  
And we know sleep brings relief,  
The rest we get is precious  
And the feeling is real peace.*

*When we wake we are up in glory  
And our life had been restored,  
With the joy of meeting loved ones,  
Gone before us with the Lord.*

*So friend, don't fret and worry,  
When he calls us to his side.  
We will wake up in his presence,  
Peace and joy will then abide.*
