The Life of Latanya Jackson

Born in Detroit, Michigan on December 4th 1978, she was the proud mother of Tania and Trevell and great sister of Charles, Keisha, and Dontay.

Latanya was a beacon of sweetness and brightness, radiating joy to everyone they encountered. Her warm smile and kind heart illuminated even the darkest of days, leaving an indelible mark on the lives of those fortunate enough to know Her.

Regardless of her own situation Latanya had a different purpose in life - to bring people together. She believed that laughter had a unique way of breaking down barriers and fostering connections between people from all walks of life. Through their humor, she aimed to bridge gaps, dissolve tensions, and create a sense of unity among the family .

She leaves to cherish her memory; her children, her brothers and sister as well as her nieces and nephews and a host of family and friends., She will be missed.

Thank You

The Family's Remarks

Mom Life

She was a the life of the party wherever she walked into a room just filled with delight. Her love for music was like no other, everywhere she was she had to have her music whether that was cooking, in the shower, sitting on the couch, or hanging with friends. She was a hard worker, nothing was stopping her from reaching her goals and making sure everyone and everything was kept up. She made it look easy, having fun and getting up for work. She had fun with her life while also being loved.
