We are glad that you decided to join us for Bible Study and Worship today. We believe that there is nothing more worthwhile than coming together to worship and to learn more about our gracious God whom we love because He first loved us. He proved it by sending Jesus Christ as the perfect revelation of His trustworthiness. We trust God to completely heal us from the ravages of sin and we await His soon return; His second advent, that we might be with Him forever. In the meantime, we seek to live by sharing His love with one another and with our community. We seek to become a united family composed of men, women and children from every nation, kindred, tribe, tongue and people. You are welcome here, regardless of your race, gender, age, social or economic status. We pray that, as you experience the love of God among us, you too will choose to be a part of His temple, His body, His family.
