# CELEBRATION OF LIFE

*"When I graduated high school, I was gifted a quilt made up of my favorite colors — reds, blacks, and whites checkered and swirled the fabric — a beautiful work of art, a painting. I'm as fond now as I was then of this quilt (it's even made it to a few picnics). This blanket is covered from top to bottom with your finger prints — it has always felt like a hug to me. When I picture the many thousands of times your hands were on this fabric it's so obvious how much love it contains."

*"The love that was sewed into it  
will never wear out."
