Click the BUY MEMBERSHIP button to launch the 2021/22 Membership Application Form. If you have an active Squash BC Membership, it will show on this page and you won't see the BUY MEMBERSHIP button.

Note: The top sentence on this page "You are a member of this organization" refers to you being **affiliated** with Squash BC, not whether you have an active membership. We are working to have this phrasing revised.

- Complete the Membership Application Form and submit your payment information. Read about our <u>Membership Types</u> before selecting which one best suits your needs. Once you finish the form, you are a 2021/22 Squash BC Member!
  - **Important Note:** Now that Squash BC uses Club Locker for our membership offerings, you have the option to set your membership to auto-renew. This means every year on November 1st, your membership will be renewed and your credit card will be charged a membership fee without needing to resubmit the form.

Any and all changes to Squash BC Membership fees will be communicated to active members prior to the auto-renew date.
