*Marriage is Forever*

*I take you  
From this day forward.  
To love and to miss,  
For better or for worse,  
For emptiness or joyful memory,  
In sadness and in grief,  
Even after death has made us part.  
I take you as my husband / wife  
In death as I did in life,  
Because our love is forever.*

---

*Their Memory Stays*

*Although they have passed on,  
Their memory forever stays.  
Remember how they smiled,  
And the joy they always gave.  
We'll miss them all the time,  
And think of them every day.  
Their loved filled the world –  
A love that will never fade.*
