# Mission Statement

**Caring for Others, Sharing our Savior  
Our Values**

1. We are saved by grace—not by works
2. Obedience is the fruit of faith
3. Family friendly worship services
4. People who are hurting matter to God and to us
5. Evangelism is the natural result of friendship
6. Christian education is an integral part of our commitment to the salvation of children
7. Healthful living is a vital part of the abundant life in Christ

## Welcome to Worship

*All our guests are invited for fellowship dinner after the service. Our Pinehouse church family are also invited to stay, where POSSIBLE, kindly bring your favourite vegetarian entrée & or dessert to share.*

### THE WORD

Isaiah 40:30-31 “Even the youths shall faint and be weary, and the young men shall utterly fall. But those who wait on the LORD shall renew their strength; They shall mount up on wings like eagles, they shall run and not be weary, they shall walk and not faint.” NKJ

### Prayer Corner

“God hears the prayers of all who seek Him in truth. He has the power that we all need. He fills the heart with love, and joy, and peace, and holiness”, (Testimonies for the Church, vol. 9, 169). We pray that 2020 is the year we are revived, reformed and transformed into His image ready to meet Jesus with our families, friends & neighbours. Please continue to pray for those who are unable to worship with us due to various reasons such as ill health, discouragement, etc. Last but not least, may we all join the world church in the annual 10 days of prayer that began on the 8<sup>th</sup>-18<sup>th</sup> of January.

### ROOTED- Youth Week of Prayer January 8th-11th 2020

Our annual youth week of prayer started on the 8<sup>th</sup> of January & ends today. Scripture of meditation is Ephesians 3:17-19.

### Note of Appreciation

Thank you Pinehouse church for your support of 4 youths who recently attended GYC in Louisville, Kentucky. May Christ richly bless you.

### Health Nugget

Whole foods are loaded with nutrients which naturally have healing properties.

Apples are very high in pectin, a soluble fibre which can lower cholesterol levels significantly- adding just one large apple a day to your diet can reduce cholesterol levels by 8-11 percent. We all know the saying –“An apple a day, keeps the doctor away”.
