## Spirit of Prophecy Sermonette

Whatever may be their profession, it is only those who are world servers at heart that act from policy rather than principle in religious things. We should choose the right because it is right, and leave consequences with God. To men of principle, faith, and daring, the world is indebted for its great reforms. By such men the work of reform for this time must be carried forward. Great Controversy 460

The joy and blessings of the Sabbath conclude this evening at 5:27 p.m. and begin again next Friday at 5:35 p.m.
