## *A Letter From Heaven*

**When tomorrow starts without me,  
and I'm not there to see;  
if the sun should rise and find your eyes,  
all filled with tears for me.**

**I wish so much you wouldn't cry,  
the way you did today;  
while thinking of the many things,  
we didn't get to say.**

**I know how much you love me,  
as much as I love you;  
and each time that you think of me,  
I know you'll miss me too.**

**When tomorrow starts without me,  
don't think we're far apart;  
for every time you think of me,  
I'm right here in your heart.**
