MORE OFF CAMPUS EVENTS/INFORMATION

- The mission of the Religious Liberty Department of our Church is to defend religious liberty from a constitutional, legal, historic, and biblical presumption.

"Seventh-day Adventists are called to stand for the principle of liberty of conscience for all. In keeping with our love for others, we must be ready to work on behalf of groups whose freedom of conscience is inappropriately impinged by the state. Such work may result in personal and corporate loss. This is the price we must be willing to pay in order to follow our Savior who consistently spoke for the disfavored and dispossessed" [1]

-One of the ways by which church members can keep abreast of national and international developments in the area of freedom of conscience is through the pages of LIBERTY, published bimonthly by the Religious Liberty Department.

-Please make a contribution to the Religious Liberty campaign, drawing to a close at the end of March.
