

February 17, 2021 - AMI additional assignment 3rd & 4th

Do the following assignments first today (Wednesday). If you finish early, choose an item from the AMI list to do to complete the 4 hours for today. Have a fun day!

Bible/Art – Draw a picture as we conclude our “God’s Magnetic Love” unit:

MATERIALS NEEDED: • paper • markers or colored pencils • Bible

INSTRUCTIONS:

1. Reread Matthew 19:13-15 in your Bible
2. Draw a picture illustrating the verses
3. Color the picture carefully
4. Write a title *in cursive* for your picture at the top or bottom of the page
5. Bring your completed picture back to school when we are back in classes.

Math – Bring math assignments back to school when we are back in classes.

4th grade: Write and solve 15 multiplication problems on a piece of paper. The problems should have two digit factors. Show all work on the paper. Write very neatly and remember to keep place values lined up. Don’t forget to regroup as needed. An example problem:

$$\begin{array}{r} 42 \\ \times 38 \\ \hline \end{array}$$

3rd grade: Write and solve 15 addition problems on a piece of paper. The problems should have three digit addends. Show all work on the paper. Write very neatly and remember to keep place values lined up. An example problem: 297 Don’t forget to regroup as needed!

$$\begin{array}{r} 297 \\ + 453 \\ \hline \end{array}$$

Reading – Read a book or part of a chapter book. Write down what book, or what portion of what book, you read. Write five sentences describing what you have read. Make sure your sentences are complete!
