Science and S.T.E.M Teacher Position

Unions Springs Academy needs a qualified teacher who can chair the Science and Mathematics Department and support the school's new S.T.E.M. program. Union Springs Academy is located in beautiful upstate New York near Cayuga Lake. As a boarding academy, it is expected that all staff members will not only support the mission of Seventh-day Adventist Education but will live that mission with passion.

Responsibilities include: Teaching of science classes, evening and weekend supervision of students, chairing all committee meetings for the Science Department and other responsibilities as assigned by the administration.

Qualifications: Denominational certification is preferred. The candidate must be a member of the Seventh-day Adventist church in good and regular standing and hold a minimum of a bachelor's degree in a science field.

Experience: Experience in teaching in a Seventh-day Adventist institution is a must. Experience with S.T.E.M.-related activities and materials is preferred.
