DR. CESAR & CAROLANN DELEON

Dr. César De León is an ordained Seventh-day Adventist minister with a license in Marriage and Family Therapy in the state of California. He holds a Master of Divinity from Andrews University, a Master of Science in Marriage and Family Therapy from Loma Linda University and a PhD in Marriage & Family Therapy from the School of Psychology at Fuller Theological Seminary. He served in the Pacific Union for almost 30 years in full-time ministry in the Southeastern California Conference and for two tours in Central California as a district pastor and later, as Senior Pastor of the largest Hispanic Congregation in the Silicon Valley for ten years. Before accepting a call to become the North Pacific Union's Vice-President for Hispanic Ministries; Ministerial, Evangelism, & Global Missions Director, two years ago, César enjoyed serving as Central California Conference's Ministerial & Evangelism Director for five years.

César has been married to Carolann, his life and ministry partner, for 31 years. Carolann is an RN with a Master in Marriage & Family Therapy and thoroughly enjoys volunteer ministry alongside César. The De Leon's have two adult sons, Zac and Jonathan. César and Carolann are the founders and speakers for "Tu Familia Primero" a bilingual ministry that focuses on the restoration of marriages and families through the power of the Spirit integrated with Christ-centered psychotherapy. The De Leon's most enjoy witnessing the miraculous paradigm shifts that individuals, marriages and families are able to make when they acknowledge the brokenness that generations of sin have caused, and surrender their wounds and unhealthy relational patterns to the ultimate Healer, Jesus Christ!
