Sacha "Nina"

Our years together were filled with laughter, unconditional love and fond memories. Your existence will penetrate my heart for eternity. Your spirit will forever surround mine, saying, "Hey, Kid".

Love, Alesha

A Cousins Love...

Nina was the perfect Toy Story...

I was Woody and she was my Buzz. For her to spend the night was like, To Infinity and Beyond. Our beyond was Destination Desert, building clubhouses and watching out for bugs! That was our playground. She never once got upset building our clubhouses. She hit every nail with a smile. When we got back home I would make peanut butter cookies for us. Sometimes I would burn them and would have to start all over again!! "Here I go...aww man!!". But Nina, she still didn't get frustrated. She had patience always. This past Christmas, she conveyed how she had some of the best times when we were kids. I felt it in her hugs. There was always a Cousins Love.

Nina was intelligent, pursued her goals, beautiful inside out. She was simply the best!! And loved by all. Countless memories made in the back room playing nerf basketball with the goal on the door. No toys needed, you were my Toy Story...

I can only imagine when I get there. Our clubhouse...You nailed it... To infinity and beyond Heaven.

A Cousins Love...

She never made me cry, until the day we had to say goodbye.

Love Always,
Mickie

SLEEP, MY SISTER
By T. Hutchinson

I wish you sweet sleep, my sister dear.
Although there's so much that you've left bare
I hate that you had to endure such pain
On my mind, your saddened eyes have left a stain.
I want to know what crossed your mind
Unspoken words you've left behind
Undone things we'll never do
No sharing thoughts you never knew.
A peace has fallen upon your head
A taste of sorrow we have been fed
It really is like a hole in our lives
One swiftly dug but carved out by knives.
But I have hope that those sleeping will rise
The Bible says that God will open their eyes.
No suffering, sickness, yes not even pain,
Those who did good, eternal life they'll gain.
So... sleep on my sister, sleep tight
For now with you the sky is night.
But after night will come daybreak
Therefore I will wait hoping to see you awake.

I'M FREE

Don't grieve for me, for now I'm free
I'm following the path God has laid you see.
I took His hand when I heard him call
I turned my back and left it all.
I could not stay another day
To laugh, to love, to work, to play.
Tasks left undone must stay that way
I found that peace at the close of day.
If my parting has left a void
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Oh yes, these things I too will miss.
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee
God wanted me now; He set me free.
