Winter Wonderland

Family and friends are invited to attend the first annual Christmas Fair on December 20. The Winter Wonderland will be a cozy place to hear music, play games, make crafts, and enjoy refreshments (for sale). The Fair lasts from 5-7 p.m. Proceeds raised for the event go to KACS.

Sponsor a Student

During the holiday season, many people look for a way to help someone else with gifts, food or their time. Why not help a child? KACS is looking for someone to sponsor a child(ren), and that could be you! If you're interested, please see a staff or board member, or call the school office (after the holidays!).

Kids Heart Challenge Winners!

The top fundraisers for Kids Heart Challenge were Matthew (\$25), Monteze (\$25), Hunter M. (\$50), and Eruchi. Eruchi raised the most money (\$215) and received an extra prize in addition to all the other prizes she earned. Congrats, to Eruchi and all the other awesome fundraisers!

"Today your Savior was born in David's town. He is Christ, the Lord. This is how you will know him: You will find a baby wrapped in cloths and lying in a feeding box." Luke 2:11-12

Parent Breakfast

Back by popular demand, parents are invited to attend the Parent Breakfast on December 18, from 7-8 in the morning! Families have a chance to share a meal with their child(ren) before heading off to work, and the students go to class. Be sure to stop by for a free meal and a neat family photo!

Calendar

K-1st BEAR'S DEN

Students in K-1st class are also part of K-3rd Music Class on Fridays. Students have been studying the instruments in an orchestra. So far, they've studied Strings and Woodwinds, listening to music online, or live, and coloring a picture of the instrument. In December, they made a drum to use during the Christmas Fair. Thank you, Mrs. White for all your help on the drums!

5-8 Express Thoughts!

Under the guidance of Ms. Lauren, and AJ, a 7th grade student, grades 4-6 have gained experience with video editing in technology class. Working both in groups and solo, students learned how to gather media files (videos and photos) and edit together short videos, making use of different effects, text, and music. The student's hope to learn more in the future.

In addition, grades 4-6 have two electives on Friday: Robotics and Drama. The Robotics group, AKA Monarch Builders, are working on assembling a mechanical hand! Crowned Act, the Drama group, is working on a play that they will perform in the spring.
