Mission Spotlight

## Thoughts From Today's Sermon

We all face giant, challenging issues sometime in our life – personally or as families. As a church or a church denomination. As a county or state or as a nation. They come in areas like finances, health care, relationships, children who leave church, divorce, security, cancer, caring for aging parents, death of a loved one, etc. God used a shepherd boy in ancient Israel to give us a good picture about how to handle the giants who challenge us. Those who challenge us are really challenging God.

## Mission Statement

We accept the ministry given to us by God: to bring the healing power of Jesus' love to people, and to provide a nurturing place to build a friendship with Him.

## Welcome

A heart felt welcome to our church family and guests on this beautiful Sabbath morning! We are delighted to have yet another opportunity to come together in God's presence. We have every reason to be here, to praise and worship the only One who is deserving of our adoration. May we all find in Christ our heart's desire, and in our song, our prayer, our listening and our fellowship, the transformation of His amazing grace.

A fellowship meal **with our guests in mind** has been planned for immediately following the worship service this morning. This is an opportunity to get better acquainted and enjoy the love that God has put in our hearts for one another. Everyone is welcome!
