Definition: Alpha
noun

Alpha is a chance to explore life and the Christian faith in a friendly, open and informal environment.

#TryAlpha

Plans?

You are invited to Alpha for a time of great food, even better conversation and talks that make you think.

If you come along, we won't call you after, write, or ask you to pick up the cheque — the ball is completely in your court.

What have you got to lose?

Done with
small talk?

#TryAlpha

Please see the list of food requirements and spaces to help with washing /clearing up.
