The Applied Leadership Class is an elective of Hawaiian Mission Academy that has been part of the school since 2017. We are a class that learns to apply leadership skills through mission work by community service, which we take from the life of Jesus. Our motto is leading through service since 2017. Some of the things we did were missions trips to inter-islands like Moloka'i, Maui, Kauai where we helped out at the schools and churches and conducted VBS programs. We have also served Oahu churches and schools, assisting in their services and chapels. We appreciate your time and support, please check out our fundraising website: <https://fundly.com/a-l-i-v-e-in-christ-missions-program> or our FB page <https://www.facebook.com/HMAmissions/> for more information.

Please continue to keep our pastoral search in your prayers. The church board had its first meeting with Pastor Watts and we have officially started the process. The good news is that God is in control and already knows who He wants to come to pastor our church!
